Fitch Ratings Indonesia has affirmed PT Asuransi Wahana Tata's (ASWATA) National Insurer Financial Strength (IFS) Rating at 'AA(idn)'. The Outlook is Stable.

The affirmation reflects ASWATA's 'Moderate' company profile, improved reinsurance risk and continued profitability. It also considers the insurer's satisfactory capitalisation and conservative investment mix.

'AA' National IFS ratings denote a very strong capacity to meet policyholder obligations relative to all other obligations or issuers in the same country or monetary union, across all industries and obligation types.
